Francis Creek Fellowship Club

The Fellowship Club held their monthly meeting at 7:00 PM on Tuesday, March 8, 2022.

The Fellowship Club is a dedicated service organization whose main focus is to give back to the local community, support the local youth, and improve the park and village.

With service as our main focus the Fellowship Club will no longer be doing any fund raisers. When possible, our club members would be willing to work at fund raisers held in the community by other organizations.

The Fellowship Club has been discussing for a long time, the building of a Gaga Pit to be placed in the tennis court area of Pla-Mor Park. The club is two steps closer. The club has a list of materials to be purchased and the funds to buy them. The materials will be delivered to Mishicot High School Technical Education for them to build. The club is hoping that by the end of the 2022 school year the finished Gaga Pit will be placed in an area of the tennis court.

The Fellowship Club postponed discussion of the Spring Ditch Cleanup, the Park Concession Building One Cleanup and most importantly the future of the Fellowship Club to our next meeting.

If anyone is interested in hearing about our club or would like to attend our next meeting on April 12th, please contact Paul Wojta, our President, at 920-901-3614 for more details. It would be great to see you there.

We hope that you are experiencing good health, and that we will see you out and about in the village.

Have a Happy And Healthy Spring!

Whether you plan to have a sale to sell your “accumulated treasures” or visit the many sales to shop for that “special something”, this is a great opportunity to do both! The Francis Creek Lions Club will be preparing a map showing all area sales that register no later than Monday, May 23. Included with this newsletter, is the registration information which can be submitted via email, in the mail or by dropping off at the Village office.

Register to win! Every sale that registers by the deadline will be entered in a drawing for either a \$25.00 gift certificate (first prize) or \$10.00 credit at the Lions Club food tent toward food and refreshments (second prize).

All sales that register will receive a quantity of the sales maps delivered to your site, with additional maps available at the Lions Club food tent for the swarms of shoppers.

For more information, please contact Joe Debilzen at 920-629-1601 or joe.janet.debilzen@gmail.com

Reading Machine Available

One of the areas of service of our Francis Creek Lions Club is vision preservation and assisting individuals that have visual impairment. To this end, we have available a reading machine for use by someone in our community for which reading prescription bottles, newspapers, instructions, magazines or books are a challenge. The machine is available free of charge (other than a \$1.00 non-refundable “deposit”) and remains the property of our Lions Club. If you or a family member has a need for this machine, please call Joe Debilzen @ 920-629-1601 for more information.
