## Noxious Weeds Notice to Residents

NOTICE IS HEREBY GIVEN to all persons who own, occupy, or control land in the Village of Francis Creek, Manitowoc County, State of Wisconsin, to destroy all NOXIOUS WEEDS on such property before the plant blossoms. After that time, the Village of Francis Creek shall cut all noxious weeds found on any property within the Village. The cost of such work is \$100.00 per hour and is a minimum charge of \$100.00 which will be charged to the property owner. If village is not paid for this service, it will be added to the property tax bill as a special assessment with an addition \$25.00 to be put on the tax bill. To avoid this extra cost we ask for your cooperation in this matter. As this is a State Statute and the Village of Francis Creek must comply.

NOXIOUS WEEDS ARE: any thistle, chicory, burdock, poison ivy, sumac, milkweed, field dodder, wild mustard, Indian mustard, quack grass, marijuana, goats beard, ragweed, oxeye daisy, goldenrod, and any grasses, lawns or other grasses over 8 inches in height.

## Have an event? Reserve the Park!

Did you know that you can rent Pla-Mor park for your graduation parties, showers, birthday parties, weddings, reunions, etc.?!

There are 3 baseball diamonds, a gaga pit, a 9 hole disc golf course, horseshoe pits, volleyball, tennis and basketball courts, soccer area and great playground areas. There is also a paved walking path that goes around the west side of the park. Pla-Mor Park offers 3 parking lots for plenty of parking for any type of gathering. Interested? Contact the Village Clerk for fee details and date availability at (920) 682-7410.

## Francis Creek Fellowship Club

The Fellowship Club held their monthly meeting at 7:00 PM on Tuesday, May 10, 2022 at Pla-Mor Park.

The Fellowship Club is a dedicated service organization whose main focus is to give back to the local community, support the local youth, and improve the park and village.

With service as our main focus the Fellowship Club will no longer be doing any fund raisers. When possible, our club members would be willing to work at fund raisers held in the community by other organizations.

The Fellowship Club has received the Gaga Pit from the Mishicot High School Technical Education Department and suce

The Fellowship Club Members completed two service projects prior to our monthly meeting. The ditches on Hillcrest Road, from Stone Road to Highway T as part of the Adopt - a - Highway Program are now cleaner. Concession Stand One is clean and ready for softball and baseball teams to use during their games at Pla-Mor Park. Both of these service projects are labor intensive. It was great that new member(s) and potential member(s) were able to help.

With summer just around the corner, the Fellowship Club will not be scheduling any summer meetings. Our next potential meeting is Tuesday, September 11, 2022 at 7:00 PM.

If anyone is interested in hearing about our club or would like to attend our next meeting, please contact Paul Wojta, our President, at 920-901-3614 for more details. It would be great to see you there.

We hope that you are experiencing good health, and that we will see you out and about in the village.

Have a Happy And Healthy Summer!

## Francis Creek Lions Club

### Community Rummage Sale

Thank you to everyone that registered their sale this year. At the time this article is being written the final number participating has not yet been determined. In any event, we wish all the best to those having a sale and hope that you have lots of shoppers crowding in to clean out your items. A reminder that the Lions Club will have their food tent in front of Wagner's Restaurant again this year and we look forward to serving you (carry outs are available). We thank you in advance for your support as this is a major fundraiser that allows us to continue to support the many service projects and donations, we've informed you about in the past.

### Lions' Adopt-A-Highway

On May 12, members of the Francis Creek Lions Club gathered to complete the roadside cleanup of CTH Q from Berringer Road, north to Cherney Road. We recently enrolled in this program through the Manitowoc County Highway Department and appreciate the support received from them. We look forward to continuing this effort in the future.

### Lions Donate to Camp Invention

As has become an annual tradition, the Francis Creek Lions Club made a donation to Camp Invention, a summer program offered through the Mishicot School District to encourage students to build skills in STEM (science, technology, engineering and math). This is another example of our group investing the proceeds from fundraising back into our community, thanks to your support.

### Trek the Creek Scott Bohman Memorial 5k Run & Family Walk

If you haven't already done so, please mark Saturday, September 10, 2022, on your calander to join in the fun of this 5k event! Whether you want to set a personal best time, walk at a leisurely pace or come to cheer on the participants, all are encouraged to participate. In addition to a DJ to "pump us up", there will be lots of raffle prizes available. Registration is now open using the following link: <https://www.raceentry.com/trek-the-creek-5k/race-information> We look forward to seeing you there!

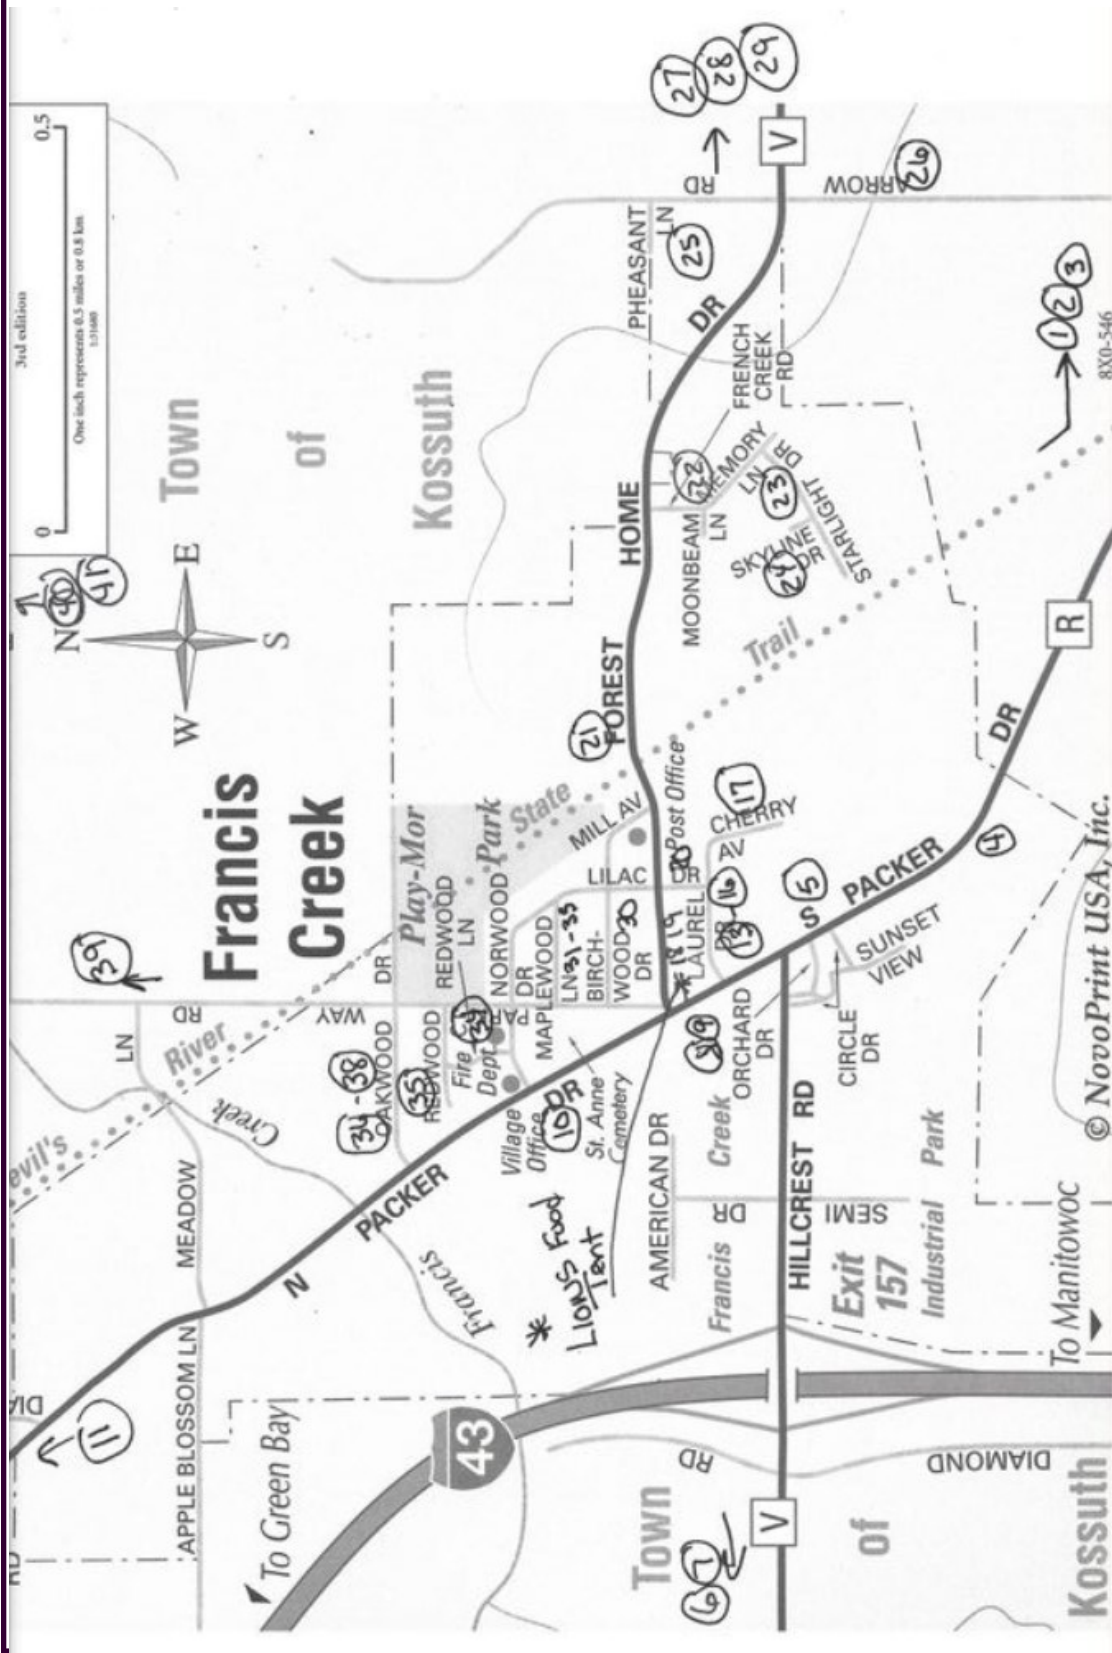

### Reading Machine Available

If you or someone you know has difficulty reading books, magazines or things like prescription bottles, perhaps the Prodigy reading machine owned by the Francis Creek Lions Club can help. The machine is available free of charge (other than a \$1.00 non-refundable deposit) and is another of the community service projects that we offer. For more information, please contact Joe Debilzen at 920-629-1601 or [joe.janet.debilzen@gmail.com](mailto:joe.janet.debilzen@gmail.com)

A nice place to live and work.
