Roses will be delivered in communities around northeast Wisconsin on either Friday, April 12th and Saturday, April 13th. Crick Crossing 5k Run/Walk

Planning is well underway for the fourth annual Crick Crossing 5k on Saturday, April 27, 2019. The event is sponsored by the Lions

Club with proceeds to benefit the Francis Creek Fire Department, Francis Creek First Responders and the Lions Diabetes Awareness project. This will once again be a chip timed event on a USTAF certified course. Speaking of the course, it begins and ends in Pla-Mor Park and uses the scenic Devils River Trail for the first and last leg. Over time our Club has learned much to make this a better experience for walkers and runners so we will be making several improvements in our procedures again this year. If you are interested in registering or to learn more, go to <https://www.raceentry.com/races/crick-crossing-5k/2019/register>. We're happy to report that we have several entrants already for this year's race. If you have any questions relating to the race, please call Chuck Bornemann at 920-732-3267.

We are in the process of seeking monetary donations for this year's Crick Crossing 5k. Our event is a financial success because of the awesome support we receive from the community. Letters have been mailed to area businesses this past week but if you did not receive one and want to donate please call Joe Debilzen at 682-2860 for details.

Community Rummage Sale

Just a “heads up” that the community rummage sale will be held on Friday, June 7 and Saturday, June 8 this year. Please circle these dates on your calendar and begin planning for your big sale. There will be more information in upcoming newsletters as well as the registration forms. If you have any questions, please call Joe Debilzen at 682-2860.

FRANCIS CREEK FELLOWSHIP CLUB

The Fellowship Club held their monthly meeting at 7:00 PM on Saturday, January 12, 2019 at the Francis Creek Sportsmen's Club.

The Fellowship Club is a dedicated service organization whose main focus is to give back to the local community, support the local youth, and improve the park and village.

With the new year on its way, several fund raisers were discussed. As a Club we would hold our own fund raiser or possibly assist another organization in their fund raising. Please let our President know if you are holding a fund raiser and could use some assistance.

We made a motion to sponsor a very special person for the Lakeshore All Sports Hall of Fame to be held in April. This person has

dedicated a great deal of time for as far back as the development of Play-Mor Park and the creation of French Creek Days. Even after French Creek Days was no longer held, this person continues to commit time and effort in supporting and improving the Francis Creek community. The Club will be announcing the name of this person in a future newsletter. Stay tuned!

The Fellowship Club hopes that everyone who drove or walked by Play-Mor Park during the holiday season enjoyed the trees we decorated for the Holiday Season. Please be sure to check out the Fellowship Club's Facebook Page. Information on what the club has been and will be involved in will be posted there. Be sure to "Like" us when you can!

If anyone is interested in hearing about our club and would like to attend the February meeting on Tuesday, February 12th, please contact Paul Wojta, our new

President, at 920-901-3614 for more details. It would be great to see you there.

Until next time, we hope that you are experiencing good health, and that we will see you out and about in the village.
