Francis Creek Fellowship Club

The Fellowship Club held their monthly meeting on January 7, 2023 at 6:00 P.M.

The Fellowship Club is a dedicated service organization whose main focus is to give back to the local community, support the local youth, and improve the park and village.

With service as our main focus the Fellowship Club will no longer be doing any fund raisers. When possible, our club members would be willing to work at fund raisers held in the community by other organizations.

The Fellowship Club members took down the Christmas lights at Pla-Mor Park the morning of January 7th. We hope that all those who drove by enjoyed the display.

The Fellowship Club discussed some opportunities to help out with some fundraisers that other Clubs will be hosting in 2023. More to come on those events.

A majority of our members head south during the winter months, so the Fellowship Club's next meeting will not be till April 11, 2023.

If anyone is interested in hearing about our club or would like to attend our next meeting, please contact **Paul Wojta, our President, at 920-901-3614** for more details. It would be great to see you there.

We hope that you are experiencing good health, and that we will see you out and about in the village.

Have a Healthy and Warm February 2023!
