Road Construction Update

Road work has begun on the Lilac, Laurel, Cherry Sewer Replacement and Reconstruction Project. The sewer work will be replaced from East to West along Laurel Drive.

There should be minimal disruption to property owners. The road grade and excavation work will be starting the second week of October and will take approximately 3 weeks. After the road is completed it will remain gravel until early Spring 2024 to give the new base time to settle before paving the road.

That time of year again - Back to School!

Back to school is upon us and with that many children will be out in the morning waiting for the bus to pick them up and in the afternoon to return home. Per WI state law drivers must stop on a street or highway 20 feet or more from a school bus displaying flashing red warning lights and remain stopped until the bus resumes motion or the operator extinguishes the flashing red warning lights. Please pay attention and drive safe!

Francis Creek Lions Club

On July 29th, Lions Club members along with those from the Fellowship Club served food and refreshments for the Lakeshore Knights car show in PlaMor Park. The event was a great success and all the profit from our efforts will be donated for park improvements. We will let you know more when the decision is made about what we will fund.

In September, our meetings will be one week earlier than normal, with our Board of Directors meeting on the 6th and our regular monthly meeting on the 20th. We will have lots to talk about and report on in future newsletters. Please consider coming to one of our meetings to check us out. We are a group of men and women that enjoy our time together serving our community. For more information, please call our Membership Director, Tony Smith at 920-901-4968.
